Welcome Back

We all hope you had a fantastic Christmas break!

We know that this will be another brilliant term and one in which we hope to see your child make even more progress!

During this term your child will know more about such subjects as: evolution. Please ask them about the new learning that has taken place as I am sure you will be impressed with their knowledge.

PE Kit

Wearing appropriate PE kit is essential for your child's health and safety. Please also be aware that as the weather is cold an indoor and outdoor PE is required.

PE for Year 5 and 6 will be on a Wednesday.

Homework

Homework will be given 3 times per week on the following days:

- Monday to be handed in Wednesday.
- Wednesday to be handed in Friday.
- Friday to be handed Monday.

We are pleased with the amount of children completing homework and the ever increasing scores in spelling tests.

Please continue to support your child with their homework as it really helps their progress.

If you are unsure of how to help your child please see one of the team who will be more than happy to explain it to you.

Uniform

It has been great to see so many children looking very smart in their school uniform. Well done!

Please remember to label clothes so that they can be easily identified if found.

Real-Life Maths

We are keen for your child to understand that maths is used every day. Please try talk to your child about any maths that occurs around the house. Eg paying bills, cost of food shopping.

Times tables

Learning times tables is really important. Please help and encourage your child to practice these every night for 10 minutes. This should also include the division facts.
