Welcome Back

We all hope you had a fantastic summer. We are really looking forward to this year and hope your child is motivated to learn.

This year Mr Carass and Miss Carnell will be in working with Year 6 and Miss Hill and Miss McLean will be working with Year 5. Mrs Cooper will be working with both Year 5 and Year 6.

If you have any questions at any point during the year – please seek out one of these staff members who will do their best to help.

PE Kit

Wearing appropriate PE kit is essential for your child's health and safety. Please also be aware that the weather is starting to get colder and PE may be outside.

PE for Year 5 and 6 will be on a Thursday.

Homework

Homework will be a little different this year. Each child will be given a choice of challenges. They will need to complete two in the time scale given.

We hope this will allow your child the freedom and creativity to really enjoy their homework, and that you enjoy taking part in these challenges with your child.

In addition to this children MUST: learn their spellings, practise their times tables and read their book regularly every week.

Uniform

It was great to see so many children looking very smart in their school uniform last Year. Well done!

Please remember to label clothes so that they can be easily identified if found.

Times tables

Learning times tables is really important. Please help and encourage your child to practice these every night for 10 minutes. These should also include the division facts.

E-Safety

This half term the children will be learning more about being safe online.
