

Monday 19th September

Dear Parent/Carers,

This year the children's homework will be project based. Each project will be based on our topic. The children will be given 2 or 3 weeks to complete their homework. The children must complete two or more of the suggested ideas or an idea of their own as long as it is based on the theme given. We will then celebrate and present the children's homework in the hall for all parents/carers to see on a given day.

Return homework on: Monday 1st October

Homework will be displayed in the hall on: Monday 22nd October from 3.15pm- 3.45pm

Ug is the champion mammoth hunter in Mud village. On week 1 he catches 1 mammoth, on week 2 he catches 2. Each week he catches double the number he caught in the week before. Pog tries to beat Ug. He catches 15 mammoths every week. By the end of week 10, who will have caught the most mammoths? When will Ug overtake Pog's score? How many mammoths would Pog need to catch every week to beat Pog after 1 year?

As he stepped out on to the green turf of Wembley, the World Cup Final of 1966 beckoned.

Write a story using this beginning.

Time Traveller

You travel back to the time of Ancient Egypt. Make a model of something you might see.

Create a timeline for the life of somebody famous.

Design a map/picture to show what you think Thornaby will look like in 200 years.

Ask a family member for an interesting item that was made before you were born. Write a short description about what it is.

You have the opportunity to travel back in time and have lunch with two people from the past. Who would you pick to see (they can be different time periods)? What would you ask them?
